To Whom It May Concern,

Mr. Byrd is a patient at the Dallas Veteran Hospital Spinal Cord Injury Center. He has sustained a permanent spinal cord injury and would benefit from living in the Dallas area close to the spinal cord center. To be able to do this he needs his only daughter, Blyss Luera, to live close to him. Her presence would benefit him emotionally and physically in his rehabilitation process. He will need to come to the VA for out patient rehabilitation. Blyss will be able to assist him with care, transportation and provide emotional support to Mr. And Mrs. Byrd. Please contact me should you have any questions.

Sincerely,
